

STEM CAMP

Flight and Space Edition

July 9 – July 12

Monday – Thursday

9:00 AM – 3:00 PM

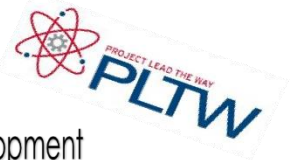

Age group:
6th grade - 8th grade

Current Kennett 6th through 8th graders are invited to “take flight” with their learning with this project-based STEM camp. The Flight and Space camp will focus on principles of aeronautics, Newton’s Laws, and forces of flight. As students test and build various aircrafts, they will be challenged to develop an innovative design and collaborate effectively on a team!

The cost is \$150 per student for the one week program at Kennett Middle School. Students must provide their own lunch. *NO TRANSPORTATION AVAILABLE*

For more information refer to our website or contact Dr. Lydia Hallman (LHallman@kcsd.org)

Sponsored by **Kennett Consolidated School District**

Modules have been designed by Project Lead the Way, a non-profit leader in STEM curriculum development
